URODA

FACIAL OIL

Argan oil + Hyaluronic Acid + Marula Oil

Elixir Oil Uroda Professional, is an exclusive range of cosmetics inspired by the action of selected, natural active ingredients and latest achievements of modern cosmetology.
The unusual properties of Argan oil in combination with Hyaluronic acid and other valuable ingredients provide deep and long-lasting moisturizing of the skin, essential nutrition, regeneration and a fresh and radiant appearance.

Gentle, non-greasy formula of oil does not encumber the skin and ensures quick absorption.

The oil restores the skin's moisture and renews hydro-lipid layer. This increases the elasticity and flexibility, strengthens the collagen fibers and nourishes the skin, providing cells with valuable unsaturated fatty acids, proteins and vitamins. Designed for dry, sensitive and excessively dehydrated skin

URODA

MICELLAR SOLUTION

Removes even waterproof Makeup
Provides intense hydration
Argan oil + Hyaluronic Acid
For all skin types

Elixir Oil Uroda Professional Micellar cleansing fluid accurately and effectively cleanses the skin of all impurities, removes even waterproof makeup. With the combination of Argan oil and Hyaluronic Acid effectively moisturizes and soothes irritation. Fat-free recipe regulates the glands, mattes the skin in the T-zone (forehead, nose, chin). The fluid instantly refreshes and soothes, without damage of epidermis hydro-lipid layer.

URODA
